

Microsoft Office 2021 and Windows 11 **WORK BETTER TOGETHER**

DID YOU KNOW that 345,000,000 people used Microsoft 365 in 2022?

Microsoft Office 2021, the most up-to-date suite of office application solutions, was built with your clients in mind! If your clients are still using Office 2019, they could be sacrificing efficiency, security, and productivity. When you combine the latest hybrid working software with the most efficient OS on the market, your helping your clients get more done.

HOW DO WINDOWS 11 DEVICES AND MICROSOFT OFFICE 2021 IMPROVE SECURITY AND PRODUCTIVITY?

Microsoft Office 2021

CO-AUTHOR DOCUMENTS

Enable their employees to work on documents in real-time, no matter where they are

EXCEL WITH EXCEL

XLOOKUP, Dynamic Arrays, and LET functions are just some of the ways Excel simplifies and speeds up data analysis

COLLABORATE WITH COMMENTS

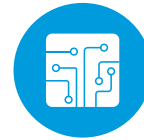

Collect edits faster with the ability to comment directly within documents

Windows 11 Devices

SECURE THEIR DATA

With Windows 11's built in security, your clients can rest assured that their co-authored documents are protected

THE LATEST PROCESSORS

With the latest Intel and AMD processors, your clients' end-users can do more in less time

SIMPLIFIED UI

Windows 11 gives them a simplified UI, giving them their most used apps right where they need them

D&H IS SIMPLIFYING THE WAY YOU ATTACH OFFICE 2021 TO EVERY WINDOWS 11 DEVICE YOU SELL.

Whether your clients are using Microsoft Home and Office 2021 or Microsoft 365 Business Standard, we can easily help you attach these solutions to every Windows 11 device you sell, making you the Microsoft expert your clients are looking for.
